Battery Cabinet Specifications

All of our quality cabinets are formed using heavy gauge steel with a durable welded frame and a powder-coated finish. We build both Mono-Block and Front Access Cabinets.

We offer ABB, Cutler Hammer, GE, and Square D Breakers, as well as Bussmann, Little Fuse, and Ferraz Fuses.

DAT maintains inventory on a variety of different battery types to facilitate quick deliveries. Turnaround time for deliveries are typically one week or less after receipt of order.
